NAAC Accredited 'A++' Grade (CGPA 3.52 out of 4.00)

## Letter of Recommendation

I am pleased to write this letter of recommendation for Diya Pujara (23BCL011), a bright and dedicated student currently pursuing her Bachelor of Technology in Civil Engineering at the School of Technology, Pandit Deendayal Energy University, Gandhinagar, India. Over the past two years, I have had the privilege of interacting with Diya as her mentor and guide in several subjects, during which she consistently demonstrated exceptional creativity, enthusiasm, and academic excellence.

Diya has an impressive academic record, reflecting her strong grasp of fundamental concepts and her commitment to learning. She achieved an outstanding 9.82 SGPA on a scale of 10 in her recent semester, showcasing her ability to excel across diverse subject areas. Beyond academics, Diya is a flexible and skilled team player, adept at working both independently and collaboratively. She values diverse perspectives and thoughtfully incorporates suggestions into her work, reflecting her maturity and adaptability.

Her capabilities were further evident during her internship at Arizona State University (June-July 2024), where she worked diligently on Clay 3D Printing, producing a comprehensive report that highlighted her analytical and problem-solving skills. Diya's exceptional presentation skills were showcased during her successful poster presentation at the CSSI presentation event. Her ability to manage time effectively ensures that she meets all deadlines with high-quality outcomes.

Diya's meticulous approach, intellectual curiosity, and strong interpersonal skills make her an excellent candidate for an internship at your esteemed university. I am confident she will excel in all tasks assigned to her and make valuable contributions to your institution.

Please feel free to contact me at [Dhruvesh.Patel@sot.pdpu.ac.in](mailto:Dhruvesh.Patel@sot.pdpu.ac.in) for any further information or clarifications.

Dr. Dhruvesh Patel  
Associate Professor and Head  
Department of Civil Engineering  
School of Technology  
Pandit Deendayal Energy University, Gandhinagar, India.
